Dear Shareholder,

I am pleased to inform you that the 2017 annual general meeting of Arrow Global Group Plc (the 'Company') will be held at the Midland Hotel, Peter Street, Manchester M60 2DS on Wednesday, 24 May 2017 at 2.00pm (the 'AGM'). A map and directions to the location are included on page 12.

The formal notice convening this meeting is set out on pages 3 to 4 of this document. Explanatory notes and further information on each of the resolutions to be considered at the AGM appear on pages 5 to 7 of this document.

The board

The performance of the board as a whole, as well as the contribution made by individual directors, has been reviewed. After considering this evaluation, the board believes that the performance of every executive and non-executive director continues to be effective, that they continue to demonstrate commitment to their respective roles and that their respective skills complement one another to enhance the overall operation of the board.

As already announced, Andrew Fisher and Lee Rochford joined the board on 9 December 2016 and 3 January 2017 respectively. Andrew and Lee will offer themselves for election by shareholders for the first time at the AGM. All the other directors shall offer themselves for re-election at the AGM. A biography of each board member and details of their contribution to the Company in 2016 can be found at Appendix 1 on pages 10 to 11 of this document.

Action to be taken

Your directors consider that all of the resolutions to be proposed at the meeting are in the best interests of the Company and its members as a whole and are most likely to promote the success of the Company for the benefit of its members as a whole. Accordingly, they unanimously recommend that you vote in favour of all the proposed resolutions, as they intend to do in respect of their own beneficial holdings.

Even if you are unable to attend the meeting in person, your vote is still important to us. I would encourage you to complete and return the enclosed proxy form as soon as possible and, in any event, **not later than 2.00pm on Monday, 22 May 2017**. Further information regarding proxy appointments can be found on pages 8 to 9 of this document. Completion and return of the proxy form does not prevent you from attending and voting at the meeting in person.

The other directors and I look forward to seeing you at the meeting.

Yours sincerely,

Jonathan Bloomer

Chairman

Special Resolutions

16. That, if resolution 14 is passed, the board be authorised to allot equity securities (as defined in the Act) for cash under the authority given by that resolution and/or to sell ordinary shares held by the Company as treasury shares for cash as if section 561 of the Act did not apply to any such allotment or sale, such authority to be limited:

- a) to allotments for rights issues and other pre-emptive issues; and
- b) to the allotment of equity securities or sale of treasury shares (otherwise than under paragraph (a) above) up to a nominal amount of £87,633.31,

such authority to expire at the end of the next annual general meeting of the Company (or, if earlier, at the close of business on 23 August 2018) but, in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the board may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired.

17. That, if resolution 14 is passed, the board be authorised, in addition to any authority granted under resolution 16 to allot equity securities (as defined in the Act) for cash under the authority given by that resolution and/or to sell ordinary shares held by the Company as treasury shares for cash as if section 561 of the Act did not apply to any such allotment or sale, such authority to be:

- a) limited to the allotment of equity securities or sale of treasury shares up to a nominal amount of £87,633.31; and
- b) used only for the purposes of financing (or refinancing, if the authority is to be used within six months after the original transaction) a transaction which the board of the Company determines to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group to the date of this notice,

such authority to expire at the end of the next annual general meeting of the Company (or, if earlier, at the close of business on 23 August 2018) but, in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the board may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired.

18. That, in accordance with section 701 of the Act, the Company be authorised to make one or more market purchases (as defined by section 693(4) of the Act) of its ordinary shares on such terms and in such manner as the directors may determine from time to time, provided that:

- a) the maximum number of ordinary shares hereby authorised to be purchased is 17,526,662;
- b) the minimum price, exclusive of expenses, which may be paid for an ordinary share is the nominal amount of that share;
- c) the maximum price, exclusive of expenses, which may be paid for an ordinary share is the higher of:
 - i. an amount equal to 105% of the average of the middle market quotations for an ordinary share (as derived from the London Stock Exchange Daily Official List) for the five business days immediately preceding the day on which that ordinary share is contracted to be purchased; and
 - ii. the higher of the price of the last independent trade and the highest current independent bid on the London Stock Exchange at the time the purchase is carried out.

This authority shall apply until the end of next year's annual general meeting (or, if earlier, until the close of business on 23 August 2018) but so that during this period the Company may make an offer or enter into an agreement to purchase ordinary shares which will or may be completed or executed wholly or partly after the authority ends and the Company may purchase ordinary shares pursuant to any such offer or agreement as if the authority had not ended.

19. That a general meeting, other than an annual general meeting, may be called on not less than 14 clear days' notice.

By order of the board

Further information on the proposed resolutions:

The notes on the following pages provide a brief explanation of the proposed resolutions set out in the notice of annual general meeting.

Resolutions 1 to 15 will be proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 16, 17, 18 and 19 will be proposed as special resolutions. This means that, for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 1 – Company’s annual report and accounts for the financial year ended 31 December 2016

The directors must lay the Company’s financial statements, the directors’ report and the auditor’s report before members at a general meeting. This is a legal requirement after the directors have approved the financial statements and the directors’ report and the auditor has prepared its report. Copies will be available at the AGM.

Resolution 2 – Directors’ remuneration report (excluding directors’ remuneration policy)

Section 439 of the Act states that the Company must provide its members with notice of the intention to move, as an ordinary resolution, a resolution approving the directors’ remuneration report, other than the part containing the directors’ remuneration policy. This vote is advisory and does not affect the actual remuneration paid to an individual director.

The directors’ remuneration report is set out in the annual report and accounts for the year ended 31 December 2016 on pages 69 to 85.

The directors’ remuneration policy was approved by shareholders at the 2015 annual general meeting and took effect from the date of that meeting (3 June 2015) and is therefore not required to be approved at this year’s annual general meeting. The full policy, as approved at the 2015 annual general meeting, is contained on pages 64 to 71 of the annual report and accounts for the year ended 31 December 2014, which is available on www.arrowglobalir.net/result-reports/results-reports. An extract from the policy is set out on pages 83 to 85 of the annual report and accounts for the year ended 31 December 2016.

Resolution 3 – Final dividend

This resolution seeks shareholder approval for the final dividend recommended by the directors. The directors are recommending a final dividend of 6.4 pence per ordinary share. An interim dividend of 2.7 pence per ordinary share was paid on 13 October 2016, which, with the recommended final dividend, brings the total dividend for the year to 9.1 pence per ordinary share. If approved, the final dividend will be paid on 6 July 2017 to shareholders on the register on 9 June 2017.

Resolutions 4 - 10 – Directors’ re-election/election

A biography of each director of the Company and details of their contribution to the Company in 2016 is included at Appendix 1 on pages 10 to 11 of this document. Andrew Fisher and Lee Rochford joined the board on 9 December 2016 and 3 January 2017 respectively. Both Lee and Andrew will therefore offer themselves for election by shareholders for the first time at the AGM.

The UK Corporate Governance Code recommends that all directors of FTSE 350 companies should be subject to annual election by shareholders, subject to continued satisfactory performance. Although the Company is not currently a FTSE 350 company, it considers this to be best practice and, accordingly, all of the other directors offer themselves for re-election annually. The performance of the board as a whole, as well as the contribution made by the individual executive and non-executive directors has been reviewed. The board believes that each of the directors seeking election/re-election continues to demonstrate commitment to his or her role and their respective skills complement each other and enhance the overall operation of the board. The Corporate Governance report on pages 61 to 65 of the annual report and accounts contains details of the role of the board and its committees.

Resolutions 11 and 12 – Auditor re-election and remuneration

The Company has to appoint the auditor at each general meeting at which accounts are presented, to hold office until the end of the next meeting of that type and KPMG LLP has expressed its willingness to continue in office as auditor. The audit committee has assessed the auditor’s independence and objectivity and recommended to the board the re-appointment of KPMG LLP as auditor. The board has endorsed this recommendation.

The directors request the authority to determine the auditor’s remuneration in accordance with standard practice. The audit committee will make a recommendation to the board about the auditor’s remuneration.

Resolution 13 – Increasing Borrowing Limits

Article 96 of the Company's Articles of Association (the 'Articles') authorises the board, save with the sanction of an ordinary resolution, to incur borrowings, up to an aggregate principal amount of all borrowings by the Group, of the greater of (i) £500m and (ii) an amount equal to three times adjusted capital and reserves. The £500m cap specified in Article 96 was formulated prior to the IPO and the Company has grown significantly in the three years since listing on the London Stock Exchange. The consolidated Group borrowings as at 31 December 2016 were approximately £815m. Three times adjusted capital and reserves as at 31 December 2016 equated to approximately £1.34bn. The Company has at all times operated within the cap prescribed by the Articles under the three times adjusted capital and reserves limb, however, the board is cognisant that the £500m cap is outdated and is therefore seeking authority to incur borrowings of up to the greater of (i) £1.25bn or (ii) three times adjusted capital and reserves.

Resolution 14 – Authority to allot shares

The Investment Association ('IA') considers it a routine request for directors' to be authorised to allot new shares in an amount of up to one third of the existing issued share capital. In addition, the IA regards the allotment of a further third as routine, when applied to a fully pre-emptive rights issue only.

In light of the IA guidance, the board considers it appropriate for the directors to be granted the authority to allot up to an aggregate nominal amount of £1,168,444.16, being two-thirds of the Company's issued share capital as at 14 March 2017 (being the latest practicable date prior to the publication of this notice of annual general meeting). Out of the two-thirds, the further one-third of ordinary shares (up to an aggregate nominal amount of £584,222.08) can be allotted only pursuant to a fully pre-emptive rights issue. The authority will apply until the end of the next annual general meeting or, if earlier, until the close of business on 23 August 2018.

The directors currently have no intention of allotting new shares other than in relation to the Company's employee share incentive schemes. However, the directors feel it appropriate to be provided with flexibility that the authority provides and, if they do otherwise exercise the authorities, the directors intend to follow the IA recommendations concerning their use.

Resolution 15 – Authority to make political donations

The Act requires companies to seek approval from members for donations to, or expenditure on, independent election candidates or organisations within the European Union which are, or could be, categorised as EU political organisations or parties. The Company does not intend to make such donations or incur such expenditure, within the normal meaning of those expressions. However, the legislation is very broadly drafted and can extend to bodies such as those concerned with policy review, law reform, the representation of the business community and special interest groups such as those concerned with the environment, which the Company and its subsidiaries may wish to support. Other examples which might be caught are sponsorship of industry forums, funding of seminars and other functions to which politicians are invited, matching employees' donations to certain charities, as well as communicating with the Government and political parties at local, national and European level. Should the Company make any such donation or incur such expenditure during the timeframe specified in resolution 15, this shall not exceed, in aggregate, £50,000.

Resolutions 16 and 17 – Disapplication of pre-emption rights

If the directors wish to allot new shares or other equity securities for cash, the Act requires that such shares or other equity securities are offered first to existing shareholders in proportion to their existing holding. The allotment of equity securities as referred to in this resolution includes the sale of any shares which the Company holds in treasury following a purchase of its own shares.

In accordance with the Pre-Emption Group's Statement of Principles on Disapplying Pre-Emption Rights, the Company is proposing separate resolutions to disapply pre-emption rights on up to 5% of the Company's issued share capital and to disapply pre-emption rights for an additional 5% of the Company's issued share capital for acquisitions or other capital investments as defined by the Pre-Emption Group's Statement of Principles on Disapplying Pre-Emption Rights.

Resolution 16 asks shareholders to grant the directors authority to allot equity securities for cash up to an aggregate nominal amount of £87,633.31 (being 5% of the Company's issued ordinary share capital as at 14 March 2017) without first offering the securities to existing shareholders. The resolution also disapplies the statutory pre-emption provisions, in connection with a rights issue only, in relation to the amount permitted under resolution 14 allowing the directors to make appropriate arrangements in relation to fractional entitlements or other legal or practical problems which might arise.

Resolution 17 asks shareholders to grant the directors an additional authority to allot equity securities for cash up to an aggregate nominal amount of £87,633.31 (being 5% of the Company's issued share capital as at 14 March 2017) for the purposes of financing or refinancing an acquisition or other capital investment of a kind contemplated by the Pre-Emption Group's Statement of Principles Disapplying Pre-Emption Rights.

The authorities in resolutions 16 and 17 will expire at the next annual general meeting, or if earlier, the close of business on 23 August 2018.

Resolution 18 – Purchase of own shares

Authority is sought for the Company to purchase in the market up to 17,526,662 ordinary shares, being 10% of its issued ordinary shares as at 14 March 2017 (being the latest practicable date prior to the publication of this notice of annual general meeting).

This authority would provide the directors with flexibility to act in the best interests of the Company, and of its members generally. A purchase of the Company's own shares would only be completed if to do so would be an appropriate use of the Company's resources. The directors currently have no intention of purchasing the Company's ordinary shares, but will keep the matter under review.

As at 14 March 2017, options over a total of 3,337,602 ordinary shares were outstanding and not exercised. That number of ordinary shares represents 1.9% of the Company's issued ordinary share capital at 14 March 2017. It would represent 2.12% of the ordinary share capital if authority to purchase the Company's own ordinary shares had been exercised in full at that date. The previous authority to purchase shares was granted at the annual general meeting of the Company held on 26 May 2016. The directors intend to seek renewal of a similar power at subsequent annual general meetings.

Resolution 19 – Notice of general meetings

The Act requires the notice period for general meetings of listed companies to be 21 clear days unless the members approve a shorter notice period, which cannot be less than 14 clear days. However, for annual general meetings, the requirement remains as 21 clear days. Where a company wishes to take advantage of this 14 clear days' notice period for a general meeting (other than an annual general meeting) it must: (i) offer a facility for members to vote by electronic means; and (ii) pass an annual resolution of members approving the reduction of the minimum notice period from 21 to 14 clear days.

The board is proposing that the 14 clear days notice period be approved. The approval will be effective until the end of the Company's next annual general meeting, when it is intended that the approval be renewed. The board will consider on a case by case basis whether the use of the flexibility offered by the shorter notice period is merited, taking into account the circumstances, including whether the business of the meeting is time sensitive and is thought to be in the best interests of shareholders as a whole. The authority would not be used as a matter of routine and in such circumstances electronic voting will be made available to all shareholders.

Notes

1. Shareholders are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at this meeting. A shareholder may appoint more than one proxy in relation to this meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that member. A proxy need not be an ordinary shareholder of the Company. The appointment of the Chairman as proxy on the proxy form has been included for convenience. If you wish to appoint any other person or persons as proxy or proxies delete the words 'Chairman of the meeting' on the proxy form and add the name and address of the proxy or proxies appointed. A proxy form, which may be used to make such appointment and give proxy instructions, accompanies this Notice of Annual General Meeting. If you do not have a proxy form and believe that you should have, or if you require additional forms, please contact Capita Asset Services on:

Telephone: +44 (0)871 664 0300 (Calls cost 12 pence per minute plus network extras, other than calls from outside the United Kingdom which will be charged at the applicable international rate). 2. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's Register of Members in respect of the joint holding (the first named being the most senior).
3. To be effective, a proxy form or other instrument appointing a proxy must be deposited with Capita Asset Services, PXS, 34 Beckenham Road, Beckenham, Kent BR3 4TU not less than 48 hours before the time fixed for the meeting, or electronically by visiting www.arrowglobalir.net/investor-information/share-portal. You will be asked to enter the Investor Code on your proxy form or on the top of your share certificate and agree to certain terms and conditions. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service should follow the procedures set out in paragraph 11 below. In any event, the appointment of proxy must be received by Capita Asset Services by no later than 2.00pm on 22 May 2017 or in the case of any adjournment by no later than 48 hours before the time of the adjourned meeting (excluding non-working days).
4. The return of a completed proxy form, other such instrument, or any CREST Proxy Instruction (as described in paragraph 11 below) will not prevent a Shareholder attending the AGM and voting in person if he/she wishes to do so, although your proxy appointment will then be automatically terminated.
5. In the case of a shareholder which is a company, the proxy form must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company.
6. Any power of attorney or any other authority under which the proxy form is signed (or a duly certified copy of such power or authority) must be included with the proxy form.
7. Any person to whom this notice of annual general meeting is sent who is a person nominated under section 146 of the Act to enjoy information rights (a 'Nominated Person') may, under an agreement between him/her and the member by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the member as to the exercise of voting rights.
8. The statement of the rights of members in relation to the appointment of proxies in paragraphs 1 and 2 above does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by members of the Company.
9. To be entitled to attend and vote at the AGM (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered in the Register of Members of the Company at close of business on 22 May 2017, (or, in the event of any adjournment, at close of business two days before the time of the adjourned meeting). Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.
10. As at 14 March 2017 (being the latest practicable date prior to the publication of this notice of annual general meeting) the Company's issued share capital consisted of 175,266,624 ordinary shares, carrying one vote each. Therefore the total number of voting rights in the Company as at 14 March 2017 was 175,266,624.
11. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM to be held on 24 May 2017 and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
12. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual (available via www.euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, to be valid, be transmitted so as to be received by Capita Asset Services (Crest ID RA10) by 2.00pm on 22 May 2017. For this purpose, the time of receipt will be taken to be the time (as determined

by the timestamp applied to the message by the CREST Applications Host) from which Capita Asset Services are able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

13. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
13. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
15. If you submit more than one valid proxy appointment, the appointment received last before the latest time for receipt of proxies will take precedence; if the Company is unable to determine which was last received, none of them shall be treated as valid.
16. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
17. Shareholders should note that it is possible that where certain qualification criteria are met, pursuant to requests made by shareholders of the Company under section 527 of the Act, the Company may be required to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditors' report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with the auditors of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with accordance with section 437 of the Act. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditors not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Act to publish on a website.
18. Under section 338 and section 338A of the Act, members meeting the threshold requirements in those sections have the right to require the Company (i) to give, to shareholders of the Company entitled to receive notice of the meeting, notice of a resolution which may properly be moved and is intended to be moved at the meeting and/or (ii) to include in the business to be dealt with at the meeting any matter (other than a proposed resolution) which may be properly included in the business. A resolution may properly be moved or a matter may properly be included in the business unless (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the company's constitution or otherwise), (b) it is defamatory of any person, or (c) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authorised by the person or persons making it, must be received by the company not later than **11 April 2017**, being the date 6 clear weeks before the meeting, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.
19. Shareholders may not use any electronic address provided in either this notice of the AGM or any related documents (including the Chairman's letter and proxy form) to communicate with the Company for any purposes other than those expressly stated.
20. A copy of the notice of annual general meeting, and other information required by section 311A of the Act, can be found at **www.arrowglobalir.net**.
21. At the meeting itself, it is proposed that the votes on the resolution at the meeting will be taken by poll rather than a show of hands. The results will be released to the London Stock Exchange and will be published on the Company's website **www.arrowglobalir.net**.
22. Any shareholder attending the AGM has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the AGM but no such answer need be given if: (i) to do so would interfere unduly with the preparation for the AGM or involve the disclosure of confidential information; (ii) the answer has already been given on a website in the form of an answer to a question; or (iii) it is undesirable in the interests of the Company or the good order of the AGM that the question be answered.
23. Copies of the directors' service contracts or letters of appointment (as relevant) and the Company's articles of association are available for inspection during usual business hours on any weekday (Saturdays, Sundays and public holidays excluded) at the registered office of the Company until the time of the AGM and will also be available for inspection at the place of the AGM for at least 15 minutes before the AGM until the conclusion of the AGM.
