**Arrow Global Group**

Found in 2005, Arrow Global is a leading vertically integrated European fund manager in European credit and real estate.

Arrow operates 18 specialist asset management and servicing platforms with ~2,500 employees across five prioritised markets (UK, Ireland, Italy, Portugal, and the Netherlands), which provide propriety deal flow and execution capabilities. It has invested over €7bn of capital over the last 16 years including co-invest, across and broad range of credit investment opportunities. It manages more than €70bn of third-party servicing AUM using multiple key European regulatory licences.

Arrow's highly experienced management team has collectively overseen more than 3,000 deals with a strong return profile. It has total FUM of €5.3 billion (as at Q3 2022)
