Arrow Global Group

Arrow Global is a leading European vertically integrated alternative asset manager specialising in European private credit and real estate.

Founded in 2005, we own 22 best-in-class asset management and servicing platforms which enhance operational efficiencies and maximise the value of underlying assets through disciplined investment approach, underwriting insight and proprietary dealflow. This vertically integrated advantage allows us

to create sustainable value throughout market cycles across a range of alternative asset classes, including opportunistic credit, real estate lending and real estate equity.

With the added benefit of key European regulatory licences, we have approximately €100 billion of AUM. Our strong track record, predominantly with real estate asset backed investments, spans across a broad range of opportunities.

We operate across seven European geographies, with our headquarters in London and offices in cities including, but not limited to, Milan, Rome, Lisbon, Porto, Madrid, Amersfoort, Amsterdam, Luxembourg, Düsseldorf, Dublin, Manchester, Leeds, and Jersey.
