

Arrow Global Wins PDI Distressed Debt & Special Situations Investor of the Year Award

London, 3 March 2024 – Arrow Global ('Arrow'), a leading pan-European investment manager specialising in private credit and real estate, has been named Distressed Debt & Special Situations Investor of the Year, Europe by *Private Debt Investor* ('PDI').

The PDI Award recognises excellence in global private credit and highlights Arrow's leadership, innovation, and strong performance in alternative asset management.

A key driver of this achievement is Arrow Credit Opportunities (ACO), the firm's opportunistic credit strategy. ACO targets diverse European credit opportunities, including primary and secondary non-performing loans, restructurings, cash-in-court bankruptcies, and specialty asset-backed finance. By investing in high-quality, collateral-backed credit, Arrow navigates complex markets and delivers strong results for investors.

Zach Lewy, Founder, CEO, and Chief Investment Officer of Arrow Global, said:

"This award is a testament to the strength of our vertically integrated model, the expertise of our central and local teams, and our ability to consistently deliver value for our partners. We thank those who have placed their confidence in our strategy and team. At Arrow, we view these relationships as true partnerships and remain committed to delivering long-term value, opportunity, and strong performance together."

Arrow's vertically integrated platform, with 24 local asset management and servicing operations across Western Europe, provides a unique competitive advantage in sourcing and managing investments to maximise investor returns. With key European regulatory licences, Arrow oversees approximately €110 billion in third-party AUM and has a proven track record of deploying over €10 billion in the past 20 years – firmly establishing its position at the centre of the European private debt market.

This award follows Arrow's recent recognition as 'Distressed Debt Manager of the Year' at the 2024 Alternative Credit Investor Awards.
